

Tuesday.

Dear Marilyn.

-6.11.67

Could you possibly send the enclosed (which as you no doubt know have also gone to all the other judges) to Saul Bellow, as I haven't an address for him?

He's already been sent a cable asking his views, & with any luck will reply by cable; but obviously, for the record, he should have a copy of the letter and the rules as well.

Many thanks.

Yours.

John
